Newgrange Lodge

Located in the heart of the mythical Boyne Valley, you will be assured that your special day will be as magical as Newgrange folklore intended. Newgrange is renowned for being the center of ritual and spiritual celebration with a tradition dating back over thousands of years.

The breath taking and impressive hills and valleys surrounding Newgrange Lodge make an excellent backdrop for your wedding celebration.

There are various options available for brides and grooms to-be. In our private Court Yard, a marquee can be erected to comfortably seat up to 100 guests all on round tables. A marquee wedding allows you both to tailor make your wedding day that you have always dreamed of.

For a more intimate gathering a smaller marquee can be sourced or small banquets of up to 40 can be hosted in our Solstice Dining Room. Newgrange Lodge is a breath of fresh air and offers Brides and Grooms to-be a unique venue, but why not come and see for yourself.
